Dear _____,

Welcome to the Creative RobotiX Club.

We are happy to have you with us. We hope you will have an enjoyable and memorable time discovering fun engineering!

We would like to inform you of upcoming robotic events that will be held this month in Malaysia and around the world.

Firstly, do check out the website of World Robot Olympiad (WRO) at www.wroboto.com. The event will be in Taipei, Taiwan from 16th to 18th November 2007. Our own Creative Robotics trainer will be there training our Malaysian team.

Secondly, another event called the International Robot Olympiad (IRO) will be held in Singapore from the 27th to 30th November 2007. Some of the Creative Robotics trainers will be there to support our Malaysian teams who are taking part in the event. You can find out more about the event at <http://iroc.org/>.

Lastly, the Robofest organized by SIRIM Bhd will be held at Dewan Tun Razak II, PWTC, Kuala Lumpur from the 27th to the 30th of November 2007. As it is a local event and is held during the school holidays, we hope you will ask your parents to bring you to watch and learn! You will be able to see all kinds of cool robots in action!!! Find out more at <http://www.robofest.org.my/>.

THANK YOU for your kind attention to the robotic events happening around you. Happy Holidays and we will keep you updated of future events.
